

100TH TOWN HALL

KENNETT LIBRARY, KENNETT SQUARE

July 30, 2025 6:30 to 7:30 p.m.

Welcome to Representative Houlahan's 100th town hall!

This evening's conversation will focus on one of the foundational documents of our democracy, The Constitution. Whether you have attended many town halls or this is your first one, we welcome the opportunity to spend time with you.

Our very first and second town halls were held on January 13, 2019 at the Teamsters Hall in Wyomissing and at the Chester County Library in Exton. Yes, that's right – two town halls in two different counties held on the same day! Chrissy believed then, as she does now, that transparency and accountability are integral to her work as our community's federal representative. Back then, despite being a member of Congress for a mere ten days and amid the longest shutdown in our government's history, Chrissy wanted to hear from her community. As the saying goes, the more some things change, the more some things stay the same. Chrissy still wants to hear from you, and she continues her service to our community, Commonwealth, and country.

In every community, staying connected and informed is important and town halls can be a great way to communicate with one another. This evening, we are thrilled to be joined by the renowned president and CEO of the Constitution Center, Jeffrey Rosen, as Chrissy's special guest. Of course, your questions are welcome, too! Kyle Boyer, a respected leader in our community, will moderate the public Q&A session. Please refer to the agenda below.
