Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the BCHC Integrated Facility and Technology Modernization Project in Fiscal Year 2027. The entity to receive funding for this project is Berks Community Health Center, located at 838 Penn Street, Reading PA 19602. The funding would be used for facility, equipment, and IT upgrades. The project is an appropriate use of taxpayer funds because it will improve patient safety, strengthen cybersecurity, enhance operational efficiency, and expand access to high-quality care.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Chrissy Houlahan".
