Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Purchase of a Breathing Air Compressor for Wagontown Volunteer Fire Company in fiscal year 2026. The entity to receive funding for this project is the Wagontown Volunteer Fire Company, located at 412 W Kings Highway, Wagontown PA 19376. The funding would be used to purchase a breathing air compressor, so that the company can refill their own Self-Contained Breathing Apparatuses without relying on a neighboring department to refill them. The project is an appropriate use of taxpayer funds because it will help keep our first responders healthy and improve their ability to quickly react to emergency situations.

The project has a Federal nexus because the funding provided is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Chrissy Houlahan".
