Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Cornerstone at 6th and Chestnut Senior Housing in fiscal year 2025. The entity to receive funding for this project is the City of Reading, located at 815 Washington Street, Reading, PA 19601. The funding would be used to prepare a former industrial site in Reading for a new affordable housing community for seniors. The project is an appropriate use of taxpayer funds because it will remove a blighted building, improve surrounding economic conditions and real estate values, and provide vital housing for senior residents in the immediate area.

The project is through Transportation, Housing and Urban Development and subcategory of CDBG Economic Development Initiative projects. The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305 (a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Chrissy Houlahan".
