Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Cumru Township Interceptor Improvement Project in Fiscal Year 2027. The entity to receive funding for this project is Cumru Township, located at 1775 Welsh Rd, Mohnton, PA 19540. The funding would be used for wastewater infrastructure improvements through the construction of three new pump stations. The project is an appropriate use of taxpayer funds because it will improve sewer capacity, allowing for new development and redevelopment opportunities in the community.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Chrissy Houlahan".
