Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Goshen Fire Company/EMS Station Infrastructure Project in fiscal year 2025. The entity to receive funding for this project is the Goshen Fire Company, located at 1320 Park Avenue, West Chester, PA 19380. The funding would be used to demolish an outdated and undersized, 75-year-old existing fire/EMS station. The project is an appropriate use of taxpayer funds because it will better serve a rapidly growing area of Chester County where the current population is nearly 35,000 residents in Eash Goshen, West Goshen, Westtown, and Willistown Townships. The funds will also provide an improved environment for firefighters and EMT personnel while on shift.

The project is through Transportation, Housing and Urban Development and subcategory of CDBG Economic Development Initiative projects. The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305 (a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Chrissy Houlahan".
