Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Kennett Square Wastewater Treatment Plant - UV Disinfection project in fiscal year 2024. The entity to receive funding for this project is Borough of Kennett Square, located at 600 South Broad Street, Kennett Square, PA 19348. The funding would be used to increase the capacity of wastewater processing at the borough's facility, located at 660 West South Street, Kennett Square, PA 19348. The project is an appropriate use of taxpayer funds because inadequate processing capabilities have restricted economic expansion and housing expansion in a rapidly growing portion of Chester County. The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Chrissy Houlahan".
