Ranking Member Rosa DeLauro  
House Committee on Appropriations  
Washington DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Keystone Valley Fire Department's Self-Contained Breathing Apparatus Replacement in fiscal year 2025. The entity to receive funding for this project is the Keystone Valley Fire Department, located at 329 W. 1st Avenue Parkesburg, PA 19365. The funding would be used to replace the department's inventory of Self-Contained Breathing Apparatuses, which have reached the end of their service-lives and can no longer deliver the protection these first responders depend on. The project is an appropriate use of taxpayer funds because it will help keep our first responders healthy, and improve their ability to quickly react to emergency situations.

The project has a Federal nexus because the funding provided is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Chrissy Houlahan".
