Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the LCH Critical Infrastructure Upgrades in Fiscal Year 2027. The entity to receive funding for this project is LCH Health and Community Services, located at 731 West Cypress Street, Kennett Square, PA 19348. The funding would be used for facility renovation and infrastructure improvements by replacing an aging HVAC system and installing a standby emergency generator with automatic transfer switch. The project is an appropriate use of taxpayer funds because it will strengthen the operational resiliency of the facility, allowing them to better serve the community

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Chrissy Houlahan".
