Ranking Member Rosa DeLauro  
House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Ludwigs Corner Fire Company Building Renovation Project in fiscal year 2025. The entity to receive funding for this project is the Ludwigs Corner Fire Company, located at 1325 Pottstown Pike, Glenmoore, PA 19343. The funding would be used to renovate the 50 year old firehouse, in order to improve first responder safety and improve response time. The project is an appropriate use of taxpayer funds because it will help keep our first responders healthy, and improve their ability to quickly react to emergency situations.

The project has a Federal nexus because the funding provided is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Chrissy Houlahan".
