Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Memory Care Expansion and Renovation project in fiscal year 2025. The entity to receive funding for this project is Barclay Friends, located at 700 N. Franklin Street, West Chester, PA 19380. The funding would be used for renovation of an existing building on campus to create expanded capacity for memory care patients. The project is an appropriate use of taxpayer funds because current facilities for seniors with dementia in Chester County are inadequate in size and scope of care.

The project has a Federal nexus because the funding provided is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Chrissy Houlahan".
