The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the PennDOT US 422: Schuylkill River Bridge to West of Keim Street in Fiscal Year 2027. The entity to receive funding for this project is Pennsylvania Department of Transportation, located at 400 North Street, 8th Floor, Harrisburg, PA 17120. The funding would be used for the highway reconstruction of US 422 from east of the Schuylkill River Bridge to west of the Keim Street interchange in North Coventry Township. The project is an appropriate use of taxpayer funds because the proposed improvements, including bridge replacement and widening, drainage improvements, ramp reconstruction, and safety improvements, will improve safety and traffic flow in the community.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Chrissy Houlahan".
