Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for Phoenixville Police Department Law Enforcement 21st Century Policing Initiative in fiscal year 2024. The entity to receive funding for this project is the Phoenixville Police Department, located at 351 Bridge St. Phoenixville PA 19460. The funding would be used for six body-worn cameras and a portable safety camera. The project is an appropriate use of taxpayer funds because the current body-worn cameras have been used consistently since 2015 and are in need of an update. The portable safety camera will provide better surveillance of large crowds and events.

The project has a federal nexus consistent with the Office of Justice Programs' mission and aligned with one or more of the purposes described in the Byrne Justice Assistance Grants (JAG) program, section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Chrissy Houlahan".
