Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Route 30 Corridor Improvements Project in fiscal year 2025. The entity to receive funding for this project is East Whiteland Township, located at 209 Conestoga Road, Frazer, PA 19355. The funding would be used to alleviate congestion while enhancing safety, mobility, quality of life, and sustainability. for renovation of an existing building on campus to create expanded capacity for memory care patients. The project is an appropriate use of taxpayer funds because it will improve travel conditions and help to spur economic growth in Chester County, PA.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Chrissy Houlahan".
