

STATE OF THE SIXTH TOWN HALL
THE COLONIAL THEATRE, PHOENIXVILLE

February 24, 2025

6 to 7:30 p.m.

Welcome to Representative Houlahan's sixth annual State of the Sixth address and town hall!

This is our 95th town hall and, whether you have attended many town halls or this is your first one, we welcome the opportunity to spend time with you this evening.

The State of the Sixth is a special event that began six years ago to respond to our community's request to learn more about what was happening in Washington D.C. and here at home in Pennsylvania. Our congressional community was new (due to the PA Supreme Court redistricting decision), and we had a lot to learn about one another in our new district with our new Representative.

In every community, staying connected and informed is important and town halls can be a great way to communicate effectively. But this town hall, the State of the Sixth, is a bit different since it is also a recap of some of the biggest issues and actions over the past year. Issues from agriculture to veterans will be discussed this evening. And of course, your questions are welcome! Please refer to the agenda below.

AGENDA

- Welcome to Phoenixville, Mayor Peter Urscheler
- Ceremonial Swearing-In by Judge Fredda Maddox
- PowerPoint Presentation on the State of the Sixth Congressional District of PA
- Audience Q&A (please write your questions on cards provided)
 - Moderated by Mayor Peter Urscheler
- Closing remarks from Chrissy

Thank you for sharing your time with us this evening!
