Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Valley Township, PA, Wagontown Road Reconstruction and Critical Utility Protection in Fiscal Year 2027. The entity to receive funding for this project is Valley Township, PA, located at 1145 West Lincoln Highway, Coatesville, PA 19320. The funding would be used for construction of a retaining wall to stabilize major water and sewer transmission mains put at risk by the 2014 collapse of Wagontown Road. The project is an appropriate use of taxpayer funds because it will improve roadway safety, transportation reliability, and infrastructure resilience.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Chrissy Houlahan".
