Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Public Safety in Valley Township: Preemption System, Emitters, and License Plate Readers in fiscal year 2026. The entity to receive funding for this project is Valley Township, located at 1145 West Lincoln Highway, Coatesville, PA 19320. The funding would be used to provide traffic light emitters to Valley Township Police Department vehicles and to install a license plate reader at the traffic light. The project is an appropriate use of taxpayer funds because it will improve safety conditions for police officers and EMT vehicles and increase necessary surveillance at the traffic light.

The project has a Federal nexus because the funding provided is for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Chrissy Houlahan".
