RECENT ACCOMPLISHMENTS

- Through the National Defense Authorization Act (NDAA), successfully passed 36 proposals including provisions for paid family leave, support for maternal health, and efforts to disrupt fentanyl trafficking
- Via federal funding, supported community colleges and Minority Serving Institutions (including Historically Black Colleges and Universities)
- Cosponsor of the bipartisan National Apprenticeship Act of 2023, a comprehensive bill that would modernize and expand apprenticeship programs across the country
- Introduced the Public Service Loan Forgiveness Payment Completion Fairness Act, a bipartisan bill that helps teachers, frontline workers, and other public service employees access student loan relief by removing a burdensome provision in federal law.
- Following a visit to Paoli Hospital, authored the most comprehensive legislation to date to improve access to donor breast milk
- Reintroduced the bipartisan Mathematical and Statistical Modeling Education Act – the House Science, Space, and Technology Committee

marked up this legislation (passing unanimously) that would modernize K-12 STEM education

- Nominated 32 students from PA-06 to our country's military academies in 2023 and a total of 122 students over the past five years
- Thanks to the Inflation Reduction Act, lowered the cost of prescription drugs by limiting out-of-pocket expenses to \$2,000/year and capped the price of insulin at \$35/month for Medicare recipients
- Increased mental health supports for students and comprehensive gun violence prevention through the Bipartisan Safer Communities Act
- Secured \$750,000 (via Community Project Funding) requested by the Kennett Library for furnishings and technology equipment
- Delivered on promise of bipartisanship by introducing 92% of bills in the 118th Congress with bipartisan support and received the Legislative Action Award from the Bipartisan Policy Center
